

# I'm Looking Through You

Lucy Kaplansky

I'm looking through you  
Where did you go?  
I thought I knew you  
What did I know?

You don't look different  
But you have changed  
I'm looking through you  
You're not the same

Your lips are moving  
I cannot hear  
Your voice is soothing  
But the words aren't clear

You don't sound different  
I've learned the game  
I'm looking through you  
You're not the same

Why? Tell me why did you not treat me right?  
Love has a nasty habit of disappearing over night  
You're thinking of me the same old way  
You were above me but not today

The only difference  
Is you've been in there  
I'm looking through you  
And you're nowhere

Why? Tell me why did you not treat me right?  
Love has a nasty habit of disappearing over night

I'm looking through you  
Where did you go?  
I thought I knew you  
What did I know?

You don't look different  
But you have changed  
I'm looking through you  
You're not the same

You changed  
Oh I'm looking through  
Umm looking through you  
You've changed You've changed You've changed You've changed You've changed yea
