

Life Is Beautiful

Lucy Kaplansky

Innocent, I was born a queen
Up til I thought it was a dream
I was lying in the gutter when a hand unseen
Poured down the sun
On New York City
La la la
La la la
La la la
I was sailing through the streets on a sea of faces
I was just another person in time that erases
And it?'s also as dead and I was not afraid
I felt I had a reason to live that day
And it seemed to me that something good
Is coming if you think it could
And I don?'t know when and I don?'t know how
But I put my head into the clouds
And it?'s beautiful
It?'s beautiful
It?'s beautiful
Life is..
La la la
La la la la

La la la
La la la la
Now I?'m flying over bridges and the sun?'s in my eyes
Skyscrapers shining, rains roll by
Thought I saw myself but only passers by
We?'re walking on the water, we?'re walking on the light
And it seemed to me that something good
Is coming if you think it could
And I don?'t know when and I don?'t know how
But I put my head into the clouds
It?'s beautiful
It?'s beautiful
It?'s beautiful
Life is..
It?'s beautiful
It?'s beautiful
It?'s beautiful
Life is..
La la la la la la la
