

## Lala

Lucy Pearl

I really love the way you touch me  
The way you touch me with your hand  
Say la la la la la la la la la  
I want to know what you're drinking  
So I can be prepared  
Say la la la la la la la la la  
You know I like the way you're thinking  
I like the way you use your head  
Say la la la la la la la la la  
I dream about you when I'm sleeping  
I dream about you in my bed  
Say la la la la la la la la la  
I really love the way you love me  
I really love the way you love me  
I really love the way you love me  
I really love the way you love me  
Sometimes I want to kiss you  
Sometimes I want to lick you  
Say la la la la la la la la la  
Well if you tell me what you want to do  
I'll make it hot for you  
Say la la la la la la la la la  
Girl free your mind and let it go  
Then come on me  
And then I'll go  
Say la la la la la la la la la  
And if you touch the spot  
Then you're hot  
You can make me smile a lot  
I really love the way you love me  
I really love the way you love me  
I really love the way you love me  
I really love the way you love me
