

No Good At All

Lucy Rose

I'm not the oil painting you once bought
Further down the line there could be hope
A girl whose greatness will prove something more
A beauty no one will know

But in the present you have me
A flower of fallen seed
Me I'm the first but not the last
'Cause I know it's coming

Hey baby, won't you let me come and kiss you
All night long, all night long
Don't worry, I won't tell nobody
That you are the one until dawn

I'm nothing like the vision you once formed
So far from perfect wish you can't ignore
My wisdom's flown, my sense is gone
So take my voice

What's left of me
A flower of fallen seed
Me I'm the first but not the last
'Cause I know it's coming

Hey baby, won't you let me come and kiss you
All night long, all night long
Don't worry, I won't tell nobody
That you are the one until dawn

Wasn't looking for a safe haven
Wanted fire within
Oh how we fought
Never gave in
Now when you're looking at me
I swore I'd never fall
It does no good
No good at all

Hey baby, won't you let me come and kiss you
All night long, all night long
But don't worry, I won't tell nobody
That you are the one until dawn

Hey baby, won't you let me come and kiss you
All night long, all night long
But don't worry, I won't tell nobody
That you are the one until dawn
