

You're The One That I Want

Lucy Woodward

I got chills, they're multiplying
And I'm losing control
Cause the power you're supplying
It's electrifying

If you're filled with affection
You're too shy to convey
Meditate my direction
Feel your way

You better shape up cause I need a man
And my heart is set on you
You better shape up
You better understand
To my heart I must be true
Nothing left for me to do

You're the one that I want
You are the one I want ooh, honey
The one that I want
You are the one I want ooh, honey
The one that I want
You are the one I want ooh
The one I need
Oh, yes, indeed

I got chills, they're multiplying
And I'm losing control
Cause the power that you're supplying
It's electrifying

You better shape up cause I need a man
Who can keep me satisfied
You better shape up if you're gonna prove
That your faith is justified
I'm sure down deep inside

You're the one that I want
You are the one I want ooh, honey
The one that I want
You are the one I want ooh, honey
The one that I want
You are the one I want ooh
The one I need
Oh, yes, indeed

You are the one I want baby
