Feel our childhood

Grey colored people  
Their look and languid foot steps  
Nothing different from me

But you don't have to be an adult  
(Sometimes immature)  
We are gold and feel this freedom  
When you thought  
You could do everything  
(Remember that moment)  
We were golden feel our childhood

We just want to play with you  
(Where are we going?)

Woo feel our childhood  
(It won't wait for us)  
Woo feel our childhood  
Feel our childhood

When did we become adults  
The things happened and the time of rushing  
I'm not getting used to  
Before I know, I wait for the night  
Than the daytime  
Wishing for sleep without dream  
There's no place for me to take a rest

But you don't have to be an adult  
(Sometimes immature)  
We are gold and feel this freedom  
When you thought  
You could do everything  
(Remember that moment)  
We were golden feel our childhood

We just want to play with you  
(Where are we going?)  
Woo feel our childhood  
(It won't wait for us)  
Woo feel our childhood  
Feel our childhood  
Feel our childhood

Time to sleep woo

We just want to play with you  
(Where are we going?)  
Woo feel our childhood  
(Good to go anywhere)  
Woo feel our childhood  
Feel our childhood  
Feel our childhood
