

We will fly away

LUCY

Stars shining so brightly
Whisper to dreamer
Night, full of the starlight
Ringing my heart with its songs
Moon, shining to guide me, where is no worries
Now, you can hold my hand, time to fly
Songs never fade out
Make my heart longing to see

We will fly away with all our heart tonight
Now, open your eyes, can you feel this moment?
Like a star in the sky up above
I promise you I will be here

Saehayan bamhaneul
Geu arae uri
Byeolgwa chumeul chuneun
Hamkke isseul geugose (Ah-ah-ah, ah-ah)

Sumi chaoreuge naraoreul geoya
I sunganeul mideo yeogi neowa hamkke
Haneul wie pin yeonkkotcheoreom
Areumdapge pieonal geoya

Byeol, balge binnaneun
Kkumui soksagim
Bam, haneulbit sogen
Maeumeul ullineun sori
