

## Raw

## Lud Foe

I know niggas wanna see me get my shit knocked off  
I ain't even fuck her I know she want me to go in raw  
I ain't cut the dope or nothin' I'm servin' this shit raw  
Line it up and dope fiends snort this shit through a straw  
I'm a god when I die, they should put me on a cross  
When I hit the gas, fire flame comes out the exhaust  
Pussy niggas gamble with ya life, you gotta pay the cost  
Pussy nigga made a bet and his stupid ass lost  
Got the stupid ass chain, with the stupid ass cross  
He got one line to cross, knock his stupid ass off  
26's on my rims and they fresh, these roochies  
When I ride past, slow down for the hoochies

Ridin' foreign whips, we ain't slidin' in no hoopties  
These rap niggas actors  
We pull up, shoot movies  
She wanna be my bitch but I treat her like a groupie  
These red VVS stones, these ain't no rubies  
These frog eyes made my car look droopy  
Your bitch suck my dick in the back of the movies  
If you ain't get no money, they gon' treat you like a goofy  
Nigga fuck that rap beef  
Nigga come try to shoot me  
Tech 9 don't get hot cause it got a coolant  
I'm hotter than a lot of these niggas but I'm cooling  
Limited edition Gucci shoes, they don't make these  
I put 4G's on my whip cause I know them niggas hate these  
Got a Rollie on the left wrist, right wrist AP  
I dunk so hard on a bitch like I'm KD  
My drum hit so hard, it shakes trees  
We ain't in the same league, we don't get the same cheese  
We don't drive the same whips, we don't got the same speed  
We don't pop the same pills, we don't smoke the same weed  
We don't live the same life, cause you a broke nigga  
If I ever go back broke, I'm a poke niggas

I know niggas wanna see me get my shit knocked off  
I ain't even fuck her I know she want me to go in raw  
I ain't cut the dope or nothin' I'm servin' this shit raw  
Line it up and dope fiends snort this shit through a straw

Little Spanish bitch in the back giving coochie  
Don't fuck with opp niggas  
Turn the club into a movie  
Got 2 twin glocks  
Tummy tuck when I'm cooling  
No wild twitter beef  
Foe with me when we shooting  
I put 4G's on a mazi, got a hellcat with a red key

A hundred for this chain, lil nigga they don't make these  
Just hit a smooth lick, with Keke  
Yup this big ass .45, can't even see me  
We don't be on the same blocks, we don't tote the same guns  
We don't slide the same time, man these niggas put up  
I'm trying to live my life right, but love the AK

Look, I know niggas wanna see me get my shit knocked off  
I ain't even fuck her I know she want me to go in raw  
I ain't cut the dope or nothin' I'm servin' this shit raw  
Line it up and dope fiends snort this shit through a straw bitch
