(It's about to be a hell of a night)
(It's about to be a hell of a night)
(It's about to be a hell of a night)
Luda! Rollin' down the highway
Nothin' for me to do but smoke up if it's a Friday
Break it down, spread it out, nigga, roll up!
And let's see what they about, call them hoes up
Ludacris, man these bitches want my last name
Sip slow but I'm drivin' all in the fast lane
Get the fuck up out my way, man, move bitch!
And quit yappin' if you never wanna do shit
I'm all about it, get your mind right
Been makin' money since before I was in the limelight
Grind right, bitch what's up?
Top down, but I feel like gettin' fucked up
I get high but the bass low
A real nigga, what your woman wanna shake for
When you shake it for a baller, better shake it right
'Cause it's about to be a hell of a night
It's about to be a hell of a night
It's about to be a hell of a night
It's about to be a hell of a night
It's about to be a hell of a night
I'm fucked up! I'm fucked up!
I'm fucked up! I'm fucked up!
I'm high as hell! I'm high as hell!
I'm high as hell! (I'm high as hell!)
It's about to be a hell of a night
Club packed, and women gettin' they drink on
Just looking for a reason to get they freak on
Catch me up in the VIP and it's roped off (Why?)
To keep raggedy ass hoes off
And I'm 'bout to have a smoke-off
Rich nigga, but I'm trying to get broke off
Turn it up as I make the beat break down
Ass up, face down!
Yeah, that's still the best way to get it
Down the middle, that's the best way to split it
I'm talkin' money, Disturbing Tha Peace racked up
One too many American black cards stacked up
Backed up and it's on
Don't get beat down to the song
I see these hatin' ass niggas wanna fight
Well it's about to be a hell of a night
It's about to be a hell of a night
It's about to be a hell of a night
It's about to be a hell of a night
It's about to be a hell of a night
I'm fucked up! I'm fucked up!
I'm fucked up! I'm fucked up!
I'm high as hell! I'm high as hell!
I'm high as hell! (I'm high as hell!)
