We can make the moment unforgettable  
We keep goin' now we're on a good vibe  
Really all the blessings unbelievable

(Brasil)  
Eu tô na vibe  
Vem, tá suave  
Solta no baile, solta na pista  
Chega chegando  
Vai embrazando  
Traz a galera, traz a bebida  
Mais uma dose  
Chega e se envolve  
Vai, traz a garrafa que pisca  
Mexa essa raba, senta e não para  
Vem com a danada da Ludmilla  
A gente quica, senta e sobe  
Pega e não se envolve  
Se ficar de marra, a gente pega e dá um sacode  
A gente quica, senta e sobe  
Pega e não se envolve  
Se ficar de marra, a gente pega e dá um... hm
