

Alcohol

Lufthaus

She don't stay in at all, she don't really mess with alcohol
She don't stay in at all, she don't really mess with alcohol
She don't stay in at all, she don't really mess with alcohol
She don't stay in at all, she don't really mess with alcohol

Bring down the higher love above me, no pushing and shove me, b
aby

Nothing bad can touch me, just come in and love me, ah ha ha ha

She don't stay in at all, she don't really mess with alcohol
She don't stay in at all, she don't really mess with alcohol
She don't stay in at all, she don't really mess with alcohol
She don't stay in at all, she don't really mess with alcohol

Alcohol

Bring down the higher love above me, no pushing and shove me, b
aby

Nothing bad can touch me, just come in and love me, ah ha ha ha

She don't go out at all, she don't really mess with alcohol
She don't stay in at all, she don't really mess with alcohol

She don't stay in at all, she don't really mess with alcohol
She don't stay in at all, she don't really mess with alcohol
She don't stay in at all, she don't really mess with alcohol
She don't stay in at all, she don't really mess with alcohol
