

# Unlovable

Lufthaus

Love is a dagger  
In the killing fields  
How does it feel?  
When you make me bleed?

No heart should have to wait  
For this long  
I'm broken in your eyes  
Unlovable  
Unlovable

Unlovable  
Unlovable

Unlovable

Driving too fast  
My hand on your thigh  
I look into your darkness  
And I want to get high

No heart should have to wait  
For this long  
I'm broken in your eyes  
Unlovable  
Unlovable

The chaos  
Has found you  
A blood moon  
Surrounds you  
My seance  
Your silence  
The mystery  
Of guidance

Unlovable
