

All I Got

Luh Kel

Love don't come easy, I promise
I feel like I wanted more
We've got somewhere, but now we back where we started
Running in circles, falling all on the floor
Sometimes it feels like your love is heartless
My head keep telling me to just let you go
But I can't help myself to just keep on falling
'Cause girl it feel like you all that I got

All that I got
Baby I want your heart
I want to fall in love with you, but it feel like love too hard
Can't tell me to move on
I don't wanna be alone
Girl we got too far
Now it feel like we back at the start

Tell me it's love, like dis with everybody
I shared my heart with you, it feel like you just tried to rob
me
Oh, I shared my fears, I pray to God, now God got it
No, I asked you questions, expect the answers but you changed t

I was in love and I love how it feel
We had a task, but it feel like we failed

Love don't come easy, I promise
I feel like I wanted more
We've got somewhere, but now we back where we started
Running in circles, falling all on the floor
Sometimes it feels like your love is heartless
My head keep telling me to just let you go
