Baecation

Luh Kel

If you got time
Hit up my line
24/7 but it's 28/9
If you knowing that you mine then make it all right
If I call your phone, promise you won't hit decline
Let's get away to a place where loving won't be strange
Promise you won't keep me waiting
Feel like a dream but we awake, let's go into a place
Let's go on a Baecation

The way I feel for you I promise I can't fake love
Get away to a place where this a stay up
You been through shit before you feeling like you hate love
Tryna hide your flaws but you look better with no makeup
And I don't want to lose you
I don't wanna be the one to show you what you used to
I don't wanna be the one to see you with your new dude
Girl you got me running around feel like I got some loose screws

If you got time
Hit up my line
24/7 but it's 28/9
If you knowing that you mine then make it all right
If I call your phone, promise you won't hit decline
Let's get away to a place where loving won't be strange
Promise you won't keep me waiting
Feel like a dream but we awake, let's go into a place
Let's go on a Baecation

Let's go on a trip maybe Jamaica, Brazil
We pop a bottle and chill, just want to see if you real
Miami on the beach with the Jetski, baby I can give you my all if you let me
We up in China learning Tai Chi
Palm trees overseas in Hawaii
Dirt bike riding, I got Kawasaki
Bikini said I wanna see the features of your body

If you got time
Hit up my line
24/7 but it's 28/9
If you knowing that you mine then make it all right
If I call your phone, promise you won't hit decline
Let's get away to a place where loving won't be strange
Promise you won't keep me waiting
Feel like a dream but we awake, let's go into a place
Let's go on a Baecation
