Luh Kel

I ain't never been attracted before
Girl, I'm locked in with you
Girl, you go my heart trippin', I'm slippin' for you
Girl, you caught me, these feelings is new
I was fuckin' with her, but I know that you real
So I pick you if I gotta choose
I was winnin' with her, she was winnin' with me
So together, we can never lose
She be fuckin' with me on some different shit

For you, baby, that top rip through a ligament
Put my dick in her spine and I'm rippin' shit
Run it up with you, baby, and we flippin' shit
They gon' always talk, but we ain't listenin'
I be deep all in her body
We went from Porsche to a Audi, ah, ah
I know that she always be ridin'
We keep the Glock right beside me, oh, oh
That's my baby, my boo, yeah, my shawty
She be rollin' up exotic, oh, oh
She throw it back like she my thotty
We takin' trips to the islands, oh, oh
R-E-A-L, she real for me
She gon' put it on it, but that still for me

Know that she real
She off the pill
I know that she real
Yeah, we for real
My baby, my steel
We locked in like steal
I know that she real
I know that she real
Know that she real, know that she real

I ain't never been attracted before
Girl, I'm locked in with you
Girl, you go my heart trippin', I'm slippin' for you
Girl, you caught me, these feelings is new
I was fuckin' with her, but I know that you real
So I pick you if I gotta choose
I was winnin' with her, she was winnin' with me
So together, we can never lose
She be fuckin' with me on some different shit

She be fuckin' with me on some different shit
She be fuckin' with me on some different shit
She be fuckin' with me on some different shit
Yeah, she be fuckin' with me on some different shit
