Perfect Time

Luh Kel

Ah yeah, you came, ooh, you came in perfect time
I fell in love for the one night
I, I stay falling for you
Ay, girl, I keep calling to you, uh-huh
Gimme time and I can make it right, ah
Talking on the phone until the sun rise, ah
Tell me your feelings is true
Girl, I keep calling on you, uh-uh

Just promise you'll always be close to me
Hit my line before you go to sleep
Right here with me where you 'posed to be, uh-oh

Yeah, baby girl, you came in perfect time
I fell in love for the one night
I fell in love for the one night, ah

Change on me, ay, we can fall in love and we can keep it lowkey, ay
I be in my mind, yeah, I be tripping OD, ay
I can cop the AP, you can rock the Rollie, ay
Promise you won't fall in love with someone else
If I give you my heart and my all, just show me that you real
'Cause feelings, oh, I be in my feelings, oh
Girl, you got me tripping, oh
Girl, you got me slipping, oh
Girl, I don't get it, oh
How you got me tripping, oh
Girl, you never listen, oh
Feel like I'm leaving the living, oh-oh
Until you came

Ooh, you came in perfect time
I fell in love for the one night
I, I stay falling for you
Ay, girl, I keep calling to you, uh-huh
Gimme time and I can make it right, ah
Talking on the phone until the sun rise, ah
Tell me your feelings is true
Girl, I keep calling on you, uh-uh
Just promise you'll always be close to me
Hit my line before you go to sleep
Right here with me where you 'posed to be, uh-oh

Yeah, baby girl, you came in perfect time
I fell in love for the one night
I fell in love for the one night, ah
