

I'm Him

Luh Tyler

Already knowing that I'm him
Ball on niggas just like tim
My lil bitch so fucking bad and she got ass just like Kim
Niggas always throwin shots at me but never hit the rim
I need all my pockets fat as fuck
And all my bitches slim
Niggas all my hunnits blue
All my hoes obey the rules
I'll teach a nigga how to do some math like he in school
Niggas always tryinna get me hot but I just keep my cool
Think my Brody workin at the shop
He always keep that tool

Niggas always tryinna chase these hoes but never chase no money
The way that lil bitch drop down to her knees
