

Tell me That You Love Me

Luigi Tenco

Parlami d'amore Mariù
tutta la mia vita sei tu

Your love to me means everything
Such a desire only you can bring
Life would be forever
I do, if I could be sure that it's real

While in my arms I hold you tight
Tell me that you love me tonight
Parlami d'amore Mariù

All, you know, my life is just you
While in my arms I hold you tight
Please, parlami d'amore Mariù
