

# Imagine Me Without You

Luis Fonsi

As long as stars shine down from heaven  
And the rivers run into the sea  
'Til the end of time forever  
You're the only love I'll ever need

In my life you're all that matters  
In my eyes the only truth I see  
When my hopes and dreams have shattered  
You're the one that's there for me

When I found you, I was blessed  
And I will never leave you, I need you

Imagine me without you  
I'd be lost and so confused  
I wouldn't last a day, I'd be afraid  
Without you there to see me through

Imagine me without you  
And you know it's just impossible  
Because of you, It's all brand new  
My life is now worthwhile  
I can't imagine me without you

When I met you, I was falling  
Your love lifted me back on my feet  
It was like you heard my calling  
And you rushed to set me free

When I found you, I was blessed  
And I will never leave you

Imagine me without you  
I'd be lost and so confused  
I wouldn't last a day, I'd be afraid  
Without you there to see me through

Imagine me without you  
And you know it's just impossible  
Because of you, It's all brand new  
My life is now worthwhile  
I can't imagine me without you

When I found you, I was blessed  
And I will never leave you, I need you

Imagine me without you  
I'd be lost and so confused  
I wouldn't last a day, with this pain  
Without you to see me through

Imagine me without you  
And you know it's just impossible  
Because of you, it's all brand new  
My life is now worthwhile  
I can't imagine me, imagine me  
I can't imagine me without you
