## **Imagine Me Without You**

As long as stars shine down from heaven And the rivers run into the sea 'Til the end of time forever You're the only love I'll ever need

In my life you're all that matters In my eyes the only truth I see When my hopes and dreams have shattered You're the one that's there for me

When I found you, I was blessed And I will never leave you, I need you

Imagine me without you
I'd be lost and so confused
I wouldn't last a day, I'd be afraid
Without you there to see me through

Imagine me without you And you know it's just impossible Because of you, It's all brand new My life is now worthwhile I can't imagine me without you

When I met you, I was falling Your love lifted me back on my feet It was like you heard my calling And you rushed to set me free

When I found you, I was blessed And I will never leave you

Imagine me without you I'd be lost and so confused I wouldn't last a day, I'd be afraid Without you there to see me through

Imagine me without you And you know it's just impossible Because of you, It's all brand new My life is now worthwhile I can't imagine me without you

When I found you, I was blessed And I will never leave you, I need you

Imagine me without you
I'd be lost and so confused
I wouldn't last a day, with this pain
Without you to see me through

Imagine me without you And you know it's just impossible Because of you, it's all brand new My life is now worthwhile I can't imagine me, imagine me I<sup>ištěno r bisnicky-akordy cr</sup> without you
