In Between Days

Luka Bloom

```
Yesterday I got so old
I felt like I could die
Yesterday I got so old
It made me want to cry

Go on, go on, just walk away
Go on, go on, your choice is made
Go on, go on, away from here
Go on, go on, and disappear

I know I was wrong,
What I said, it was true
It couldn't be me and be her
In between without you
Without you

Yesterday I got so scared
I shivered like a child
Yesterday you went away
It froze me deep inside

Come back, come back, don't walk away
Come back, come back, come back today
Come back, come back, oh can't you see
Come back, come back, come back to me

I know I was wrong,
What I said, it was true
It couldn't be me and be her
In between without you
Without you

Go on, go on, just walk away
Go on, go on, your choice is made
Go on, go on, away from here
Go on, go on, and disappear

I know I was wrong,
What I said, it was true
It couldn't be me and be her
In between without you
Without you

Yesterday I got so old
I felt like I could die.
