

Isolation

Luka Bloom

Afraid to say hello
Afraid they might know
Afraid to say hello
Afraid to face the day
Pain won't go
Afraid to face the day
Oh, so cold, oh, so cold

If I had a home
A pillow of my own
Maybe I'd go home
They gave me wings to fly
And took away the sky
Left me here to lie
Oh, so cold, oh, so cold

Whisper once again
Those sweet words in my ear
Whisper once again
Say it soft and clear
Did I hear you say that you loved me
Did I hear you say that you knew

Just for a moment
There was company that knew
The feeling of isolation too
The light went on ...

No more fear in the morning
No more hate in the morning
I love to feel the morning
Feel love in the morning

Just for a moment
There was company that knew
The feeling of isolation too
The light went on ...
