

The First Time Ever I Saw Your Face

Luka Bloom

The first time ever I saw your face
I thought the sun rose in your eyes
The moon and stars were the gifts you gave
To the dark and endless skies, my love

The first time ever I kissed your mouth
I felt the earth move through my hands
Like the trembling heart of a captive bird
That was there at my command

The first time ever I lay with you
I felt your heart so close to mine
And I knew our joy would fill the earth
And last till the end of time, my love

The first time ever I saw your face
