

## True Blue

Luka Bloom

True blue before sunrise,  
I'm so happy here with you  
Following slow tides,  
I'd go anywhere with you.

Blue light through my window,  
Blue light fills my room  
I lie here in blue heaven,  
I'd go anywhere with you.

Dreamboat,  
Take me away  
Dreamboat,  
Before the day break's noises  
Blue fades with voices.

True blue before sunrise,  
Beautiful upon my pillow  
Still and so world wise,  
I'd go anywhere with you.

True blue before sunrise  
Sweet dreams, baby  
Sweet dreams, baby  
Sweet dreams, baby.
