It was a big big world, but we thought we were bigger.

Pushing each other to the limits, we won't learn them quicker.

By eleven smoking herb and drinking burning liquor

Never rich so we were out to make that steady figure

I always had that dream like my daddy before me
D **Em**
So I started writing songs, I started writing stories
D **G** **C**
Something about the glory, just always seemed to bore me
D
Cause only those I really love will ever really know me

Once I was seven years old.

I only see my goals, I don't believe in failure.
Cause I know the smallest voices, they can make it major.
I got my boys with me atleast those in favor
And if we don't lead before I leave, I hope ill see you later.

Once I was 20 years old, my story got told
I was writing about everything, I saw before me
Once I was 20 years old.

Soon we'll be 30 years old, our songs have been sold
We've traveled around the world and we're still roaming.
Soon we'll be 30 years old.

I'm still learning about life
My woman brought children for me
So I can sing them all my songs
And I can tell them stories
Most of my boys are with me

Some are still out seeking glory
And some I had to leave behind
My brother I'm still sorry

Soon I'll be 60 years old, my daddy got 61
Remember life and then your life becomes a better one
I made the man so happy when I wrote a letter once

I hope my children come and visit, once or twice a month
Soon I'll be 60 years old, will I think the world is cold
Or will I have a lot of children who can bore me
Soon I'll be 60 years old
Soon I'll be 60 years old, will I think the world is cold
Or will I have a lot of children who can bore me
Soon I'll be 60 years old
Once I was seven years old, my mama told me
Go make yourself some friends or you'll be lonely
Once I was seven years old
