

Hello

Lukas Graham

Hello, it's me,
I was wondering if after all these years,
You'd like to meet,
To go over, everything,
They say that time's supposed to heal you,
But I ain't done much healing.

Hello, can you hear me?
I'm in California dreamin',
About who we used to be,
When we were younger and free,
I've forgotten how it felt,
Before the world fell at our feet,
There's such a difference between us,
And a million miles.

Hello from the other side,
I must have called a thousand times,
To tell you:
"I'm sorry, for everything that I've done",
But when I call you never seem to be home.

Hello, how are you?
It's so typical of me to talk about myself,
I'm sorry,
I hope that you're well,
Did you ever make it out of that town,
Where nothing ever happened?
It's no secret that the both of us,
Are running out of time.

Hello from the outside,
At least I can say that I've tried,
To tell you:
"I'm sorry for breaking your heart",
But it don't matter,
Clearly, it doesn't tear you apart anymore.

Oh, anymore,
Oh, anymore,
Oh, anymore.

Hello from the other side,
I must have called a thousand times,
To tell you:
"I'm sorry for everything that I've done",
But when I call you never seem to be home.

Hello from the outside,
At least I can say that I've tried,
To tell you:
"I'm sorry for breaking your heart",
But it don't matter,
Clearly, it doesn't tear you apart anymore.
