

# Only One

Lukas Graham

So you gonna marry me?  
No, can't do,  
You're not the first girl,  
Thinking that you want it to,  
There are way more things,  
That I just gotta see,  
And you've got way too much,  
Loving for me.

I ain't no one woman man,  
Barely use the same bed,  
You've got that heart of gold,  
You're so innocent.

That's why you've got to know,  
Baby, I've got to go,  
You want more than one night,  
But baby, I won't be back for more.

I've just been having you,  
They say I've been bad,  
I left for someone new,  
But don't be sad,  
'Cause I left her too,  
And now, she's mad,  
I'm rolling, I'm rolling,  
I ain't coming back,  
No, No,  
I ain't coming back, oh.

Girl, don't worry,  
See I've got to go,  
I saw this chick,  
Out your window,  
I just got to know,  
And there are way more things,  
That I just gotta see,  
And you've got way too much,  
Loving for me.

I ain't no one woman man,  
Barely use the same bed,  
You've got that heart of gold,  
You're so innocent.

That's why you've got to know,  
Baby, I've got to go,  
You want more than one night,  
But baby, I won't be back for more.

I've just been having you,  
They say I've been bad,  
I left for someone new,  
But don't be sad,  
'Cause I left her too,  
And now, she's mad,  
I'm rolling, I'm rolling,

I ain't coming back,  
No, No,  
I ain't coming back, oh.

There's no looking back,  
It will give me bad luck,  
If I turn around now,  
In the moment I'm stuck,  
See I follow my path,  
And believe in my luck,  
I'll be roaming a plane,  
As a lonesome young boy.

I've just been having you,  
They say I've been bad,  
I left for someone new,  
But don't be sad,  
'Cause I left her too,  
And now, she's mad,  
I'm rolling, I'm rolling,  
I ain't coming back,  
No, No,  
I ain't coming back.

I ain't coming back,  
No, No,  
I ain't coming back,  
I ain't coming back,  
No.
