

Stick Around

Lukas Graham

If my memory serves me right
I would tuck you in almost every night
Saying, "Sweet dreams" and "Good night"
Right before I turned off all the lights

But sweet dreams can turn into nightmares
When our heroes are no longer out there

I'm sorry to say that the smiles that I give you
One day will be tears in your eyes
I'm sorry to give you these memories
'Cause memories like this will one day make you cry
But I'ma stick around
I promise you that I will stick around for now

Let these memories serve you right
When I'm no longer right by your side
Hope you, by then learned to fly
And take with you the good things in life

Don't let your big dreams turn into nightmares
When our heroes are no longer out there

I'm sorry to say that the smiles that I give you
One day will be tears in your eyes
I'm sorry to give you these memories
'Cause memories like this will one day make you cry
But I'ma stick around
I promise you that I will stick around for now

And right now, my light is shining
Though one day that too will go out
So for now
I'm gonna stick around

I'm sorry to say that the smiles that I give you
One day will be tears in your eyes
I'm sorry to give you these memories
'Cause memories like this will one day make you cry
But I'ma stick around
I promise you that I will stick around for now
