

# Apologize

Luke Bryan

I'm holding on your rope  
Got me ten feet off the ground  
I'm hearing what you say  
But I just can't make a sound  
You tell me that you need me  
Then you go and cut me down but wait  
You tell me that you're sorry  
Didn't think I'd turn around, and say

[Chorus]  
That it's too late to apologize  
It's too late  
I said it's too late to apologize  
It's too late

I take another chance  
Take a shot, take a fall for you  
I need you like a heart needs a beat  
But it's nothing new  
I loved you with the fire red  
Now it's turning blue, and you said  
Sorry like the angel  
Heaven let me think was you  
But I'm afraid

[Chorus]  
I said it's too late to apologize  
It's too late  
It's too late to apologize  
It's too late  
It's too late to apologize  
It's too late  
I said it's too late to apologize  
It's too late

I'm holding on your rope  
Got me ten feet off the ground
