

I Don't Want This Night to End

Luke Bryan

Am G F (2x)

Am

Girl, I know I don't know you

G

But your pretty little eyes so blue,

F

Are pulling me in like the moon on your skin

Am

G

I'm so glad you trusted me to slide up on this dusty seat

F

And let your hair down, get outta town

Am

G

Got the stars comin' out over my hood

F

And all I know now is it's going good

C

You got your hands up,

G

You're rocking in my truck.

F

You got the radio on,

You're singing every song.

C

I'm set on cruise control.

G

F

I'm slowing loosing hold of everything I got

You're looking so damn hot.

Am

G

And I don't know what road we're on,

F

Or where we've been from starin' at you.

Am

G

F

Girl, all I know is I don't want this night to end.

Am

Gonna cuss the morning when it comes

G

Cause I know that the rising sun,

F

Ain't no good for me

Cause you'll have to leave

Am

Gonna make the most of every mile

G

Do anything to make your smile,

F

Land on my lips

Get drunk on your kiss

Am

G

The clock on the dash says 3:35

F
There's plenty of gas,
And the night's still alive.
