

Move

Luke Bryan

Your mama packed y'all up and moved you to the south
Backed a U-Haul cross a one-tree yard
To a tin roof shotgun house
You didn't know nobody, didn't talk too much
Had a rocking little body with a yankee strut
A little shy side, a little wild side
With your long blonde hair all pulled up
Then you got in with some southern bells
Cut your jeans off with a rebel yell
Learned the talk of the Bible belt
Now, girl, I melt when you

M-O-V-E, I love it
Yeah, I love it when you get that beat
Boots on, stomp your feet
It's like you've been waiting all week to
Move like you do
All sexy and smooth
Like you love to
Oh, girl, look at you
Legs and your hips
Live oak, moonlit
When that song hits
Damn, you turn it loose
Stars of a southern sky
Buzz of the fire and ice
DJ plays that throwback tune
But I can't move when you move

It's like there's something in the air
That turns you wild when a country song
Is way up loud and the sun goes down
Right about then, you lock eyes on me
You got me where you want me, where I wanna be
All up in the middle of your left and right
Your side to side, yeah, you're right on time when you

M-O-V-E, I love it
Yeah, I love it when you get that beat
Boots on, stomp your feet
It's like you've been waiting all week to
Move like you do
All sexy and smooth
Like you love to
Oh, girl, look at you
Legs and your hips
Live oak, moonlit
When that song hits
Damn, you turn it loose
Stars of a southern sky
Buzz of the fire and ice
DJ plays that throwback tune
But I can't move when you move

Let me talk to you
M-O-V-E
I love the way you, love the way you feel the beat

C-O-M-E

Come on, I wanna see you

Move like you do

Sexy and smooth

Like you love to

Girl, just look at you

Legs and your hips

Live oak, moonlit

When that song hits

Damn, you turn it loose

Stars of a southern sky

Buzz of the fire and ice

DJ playin' throwback tunes

I wanna move when you

But I can't move when you

No, I can't move when you move

No, I can't move when you move
