

# My First Love Song

Luke Bryan

Ridin' down the road listenin' to the radio  
You leaned over and you turned it up  
You said, "Baby this is it,  
The one I wanted you to hear.  
Don't it sound just like us?"

Up 'til then, all I'd ever listened to was  
a little "Sweet Home...", "Tuesday's Gone,"  
and "Working Man Blues."

This is my first love song  
First time I felt the words  
First time I sang along  
Whenever it comes on  
I just think of you and everything you do  
You're my one, my from-now-on  
My first love song

Baby I'm not who I was  
You gave me your love and it woke me up,  
made me more aware of somethin' deep inside  
Somethin' that I have,  
A life I want to share  
And I'll rememebr this as long as I live  
Every note, every word, every single kiss

This is my first love song  
First time I felt the words,  
First time I sang along  
Whenever it comes on,  
I just think of you and everything you do  
You're my one, my from now on..  
My first love song

Baby... [Repeat chorus]

Yeah baby  
My first love song
