

# Out Like That

Luke Bryan

You got me all caught up  
The way you look tonight  
We could head downtown  
Or I can turn around, up here, on the right  
Ah, just look at this sky  
The rain ain't far from fallin' down  
And I wanna get to know you  
Better than I know this little town, yes I do

I wanna feel your heart go tic-toc  
While the rain from your hair drip-drops  
Parked out in the middle of nowhere

There's a place I can get up against your lips  
That's where I gotta be with you lookin' like this  
Let's get lost somewhere  
Anywhere we ain't gotta hold back  
If we're gonna go out, baby  
Let's go out like that

And I'll grab your door  
You can take my hand  
Hop up on my shoulders and I'll walk us over  
Where we can dance  
And I'll leave the headlights on  
So, I can see your face  
Spin you 'round in the mud  
Yeah, soak it all up, baby  
What'cha say, what'cha say

I wanna feel your heart go tic-toc  
While the rain from your hair drip-drops  
Girl, I'm talkin' country kinda crazy, yeah

Out where I can get up against your lips  
That's where I gotta be with you lookin' like this  
Let's get lost somewhere  
Anywhere we ain't gotta hold back  
If we're gonna go out, baby  
Let's go out like that

Yeah, I wanna feel your heart go tic-toc  
While the rain from your hair drip-drops  
Gettin' country kinda crazy in the middle of nowhere

Out where I can get up against your lips  
That's where I gotta be with you lookin' like this  
Let's get lost somewhere  
Anywhere we ain't gotta hold back  
If we're gonna go out, baby  
Let's go out, baby

If we're gonna go out, baby  
Let's go out like that

Yeah girl, that's where it's at  
Let's go out like that
