1. She was sittin' all alone over on the tailgate, tan legs swingin' by a
Georgia plateusa

I was lookin' for her boyfriend, thinkin', no way she ain't got one

Soon as I sat down I was fallin' in love, tryin' to pour a little sugar i
n her

Dixie cup

Talkin' over the speakers in the back of that truck, she jumped up and cu
t me off

R: She was like, oh my God, this is my song, I've been listenin' to the radi
o

all night long

Sittin' 'round waitin' for it to come on and here it is

She was like, come here boy, I wanna dance, 'fore I said a word, she was

takin' my hand

Spinnin' me around 'til it faded out, and she gave me a kiss

And she said, play it again, play it again, play it again

And I said, play it again, play it again, play it again

2. I'd have gave that DJ my last dime, if he would have played it just one m
ore time

But a little while later, we were sittin' in the drive in my truck

Before I walked her to the door, I was scannin' like a fool AM, FM, XM to
o

But I stopped real quick when I heard that groove, man, you should have s
een
her light up

R: She was like, oh my God, this is my song, we've been listenin' to the rad
io

all night long

I can't believe it came back on, but here it is

She was like, come here boy, I wanna dance, 'fore I said a word, she was
takin' my hand

Spinnin' in the headlights she gave me a goodnight kiss

And I said, play it again, play it again, play it again

And she said, play it again, play it again, play it again
