

# Celebrate

Luke Christopher

Yo, my name is Luke Christopher  
It's that summertime jam y'all can ride to, y'all can vibe to  
Some of y'all niggas may get high to  
But it's time to celebrate life, yo

Throw your glass in the air  
Time to celebrate  
Bout time we gettin' used to the better days  
We all know we been trying hard  
So we fighting for a hell of a life, yeah

Throw your glass in the air  
Let's celebrate  
Bout time we gettin' used to the better days  
We all know we been trying hard  
So we fighting for a hell of a life, yeah

Ay yo  
Gather 'round, gather 'round, gather 'round  
It don't matter who you are  
It don't matter the town  
Cause we here for the night  
Proposing a toast  
It don't matter what you drink  
See we're making the most, suppose  
You was broke turning bread into toast  
Now you living like a king with a castle in the moat  
But you only built the moat, because you were scared of the post  
Saying man that man is like this and I know  
That if I ever opened up these walls  
That the weather and the rain might fall  
Let's see this right here, yo  
We do it for the love  
It's a party weather or not  
You niggas showing up, get it

Throw your glass in the air  
Time to celebrate  
Bout time we gettin' used to the better days  
We all know we been trying hard  
So we fighting for a hell of a life, yeah

Throw your glass in the air  
Let's celebrate  
Bout time we gettin' used to the better days  
We all know we been trying hard  
So we fighting for a hell of a life, yeah

Ay, Ay, Ay yo  
Timmy get of the balcony  
You'll hurt yourself  
Well, either way, why don't we talk about the greater wealth  
See, I was reaching in my pocket just for gas money  
You in a spot where you ain't even gotta ask mommy, we good now  
And I wasn't hood then, So I ain't hood now  
Can't buy you happiness and ain't pretending that I could now  
Unless of course, happiness was a horse

And we just rode into the distance and just live forever poor, but nah  
We're pursuing the final things  
And that's why I want you tonight, ain't trying to sound lame  
But like I'm honest. previously honest people lose  
But I think it's all about who you chose to be honest to

Throw your glass in the air  
Time to celebrate  
Bout time we gettin' used to the better days  
We all know we been trying hard  
So we fighting for a hell of a life, yeah

Throw your glass in the air  
Let's celebrate  
Bout time we gettin' used to the better days  
We all know we been trying hard  
So we fighting for a hell of a life, yeah
