

GUCCI DOWN

Luke Christopher

Just because I'm not iced out, Gucci down
Don't mean I ain't the best for ya
Don't mean I ain't the best for ya
Just because my shoes cost less, and my jeans ain't stretched,
and I'm not Gucci down
Doesn't mean I ain't right
Doesn't mean it ain't right for you, oh
That's my word, take it or just leave it, I could not care less
I'm the best that you'll ever be with, shawty
My shoes don't say nothing about how I'm gonna walk
And my jeans don't even matter, in a minute they'll be off

I'm too tight for a tight rope
I know how to balance these low and these high notes
My style is insane, I should be in asylum
But I don't play the game and I'm not on the sidelines
And I don't care for fame, I just want the title and the female
s
True sinner, swear the devil's in the details
Go runnin' and I'm smokin' on the reefer
Get money but then spend it on the cheap stuff
Ay shawty you're looking fine
Tell shawty that I'm the one
Before we go any further, I say

Just because I'm not iced out, Gucci down
Don't mean I ain't the best for ya
Don't mean I ain't the best for ya
Just because my shoes cost less, and my jeans ain't stretched,
and I'm not Gucci down
Doesn't mean I ain't right
Doesn't mean it ain't right for you, oh
That's my word, take it or just leave it, I could not care less
I'm the best that you'll ever be with, shawty
My shoes don't say nothing about how I'm gonna walk
And my jeans don't even matter, in a minute they'll be off

Just because I'm not iced out, Gucci down
Don't mean I ain't the best for ya
Don't mean I ain't the best for ya
