

HARDEST PART

Luke Christopher

It's crazy how it's hard to look out the window (Yeah)
When I know just what I used to have and hold (Yeah)
But for me, it's way more personal than that
Just to find someone who really gives a damn 'bout me

But is it wrong that I just want you to care?
Baby, life just isn't fair 'less I got you

'Cause when I'm with you I'm not a superstar, I'm just a man
And I ain't scared to kiss you, girl, or hold your hand
And the strangest thing happens all on me when you laugh
But the hardest part about loving you is that you don't love me
back

Ain't it crazy when your mind's all in a twist? (Hah, I got 'em
now)
Or maybe my mind's still on my heart trip, oh-oooh-oooh
Yeah, you said, "Never", you said, "Never be the same" (Yeah, u
h)
Well, baby, I'm the one that takes the blame (Take the blame)

But is it wrong that I just want you to care?
Baby, life just isn't fair 'less I got you

'Cause with you I'm more than a superstar, more than a man
And I ain't scared to kiss you, girl, or hold your hand
And the strangest thing happens to me when you laugh
But the hardest part of loving, girl...
'Cause when I'm with you I'm not a superstar, I'm just a man
And I ain't scared to kiss you, girl, or hold your hand
And the strangest thing happens all on me when you laugh
But the hardest part about loving you is that you don't love me
back
