

# Higher

Luke Christopher

I don't know what to think  
I don't know what to say  
It's like you got a way about you  
We started off as friends  
But that ain't how it ends  
Girl, I just gotta stay around you

Saying there's no way, we're just too close  
But I know there's gotta be more

I'm like, "I see smoke - know there's fire  
I feel low - take me higher"  
I wanna be with you  
Oh yeah, oh yeah  
I know that love takes two  
Ooh, woah-oh

There's something in the way  
I see it in your face  
You don't know what to make about it  
I told you there's a place  
A moment we could taste  
And where we could escape our founding  
And I

If you could think of me as more than a friend  
I'll love ya' 'til the end

I'm like, "I see smoke - know there's fire  
I feel low - take me higher"  
I wanna be with you  
Oh yeah, oh yeah  
I know that love takes two  
Ooh, woah-oh

You know it takes two  
Ooh, woah-oooh  
Ooh, woah-oooh

I see smoke - know there's fire  
I feel low - take me higher  
I wanna be with you  
Oh yeah, oh yeah  
I know that love takes two  
Ooh, woah-oh
