

INSIDE OUT

Luke Christopher

Hard on the outside, I
I think I got it inside out
'Cause even when I try, I
Someone always lets me down, I

Baby, don't test me 'less you gonna love me, 'less you gonna
Just because I love don't mean that I could trust you

Yeah, I roll with the punches
Swear, the ones that I like are the tight daddy people
[?] of something
I don't know what it is but I know I could give it to someone
If I could find the right one somewhere
Yeah, maybe my approach is unclear
Yeah, maybe there's someone out somewhere I don't know
I probably never go 'cause

(Gone with the [?], fam) Oh, man
Just because I love don't mean that I could trust you
(Gone with the [?], fam) Oh, man
Don't misunderstand me, I don't think I'm above you, babe
Say something new
I've been dealing with this my whole life, no lie, bae
I can pick and choose who I love
Leave it up to the guy in the sky

Hard on the outside, I
I think I got it inside out
'Cause even when I try, I
Someone always lets me down, I

Just because I love don't mean that I could trust you, don't mean that I cou
ld
Just because I love don't mean that I could trust you

I can hear them say there's so much more to life
Baby, don't be so dramatic, take your time
But it's too hard not to think that one day when everyone is paid
I'll be here somewhere (Gone with the [?], fam)

Hard on the outside, I
I think I got it inside out
'Cause even when I try, I
Someone always lets me down, I
Hard on the outside, I
I think I got it inside out
