

LET ME BE

Luke Christopher

Come back baby, better set me free, mmh
You know that there's someone better for me
Even though that we got history
If you ain't gonna love me, let me be

Steaming hot cup with you for the cereal in the morning, baby
Ain't no where to run, little baby
[?], baby
Still want each other then we got each other
Now we stand at the walls like God damn
Whatever happened to all the magic?
Now it's only [?] five year plans
I think you know what I'm feeling now
I was tryna let go, got a killer hold on me
Tryna [?], you like, "You and what army?"
The shawties I know are the shawties that want me
I'm sorry, tell me what you want me to say
Had to tell you just because you wasn't the one that's taking t
he shot
Doesn't mean you wasn't part of the plan
We was moving fast
Be whatever happens from this point on
It's not your fault and it's not mine either
You hang your bag on another man's arm
Someone's eyes think we're both a keeper

Come back baby, better set me free
You know that there's someone better for me (Someone better for
me)
Even though that we got history (Even though that we got histor
y)
If you ain't gonna love me, let me be (If you ain't gonna love
me, let me be)
Ya-ya-ya-ya-ya-ya-ya-ya
