

# SOBER

Luke Christopher

Hey, it's me  
I was just calling, curious  
I don't know, I guess I was thinking about you and I was wonder  
ing  
if you think about me, so  
I don't know, I just feel like I'm losing myself with you

I'm out of control  
Yes, since you left  
I ain't been sober one day  
Time is moving slow  
I know you know  
I won't get over us, babe

And I'll just keep on drinking  
It's better than overthinking  
I might hit you when I'm even it  
Need you when I'm sleeping

It's a habit I have  
Am I wrong for asking if you still have it, I am  
That's what you reply  
And I waste no time in this [?], no games  
I've been up for three days with the whole gang  
I've been doing things over [?] I can't explain  
I've been turning, this is better than the pain  
Oh shit, I mean, oh shit  
I got everything you need, but you don't want it

I'm out of control  
Yes, since you left  
I ain't been sober one day  
Time is moving slow  
I know you know  
I won't get over us, babe

And I'll just keep on drinking  
It's better than overthinking  
I might hit you when I'm even it  
Need you when I'm sleeping

And I'll just keep on drinking  
It's better than overthinking  
I might hit you when I'm even it  
Need you when I'm sleeping
