Everyday we workin harder harder
Getting just a little stronger stronger
Tryna get wiser, wiser wiser [x2]

Ya know that on the block we selling miracles about one and a half said ill be gone for a second but I'll be coming right back
I got your service told my nigga D where its at said they be taking all your sweat but they ain't taken no cash see Tracy had an Xbox me I had a PS played that shit for hours just to stay up out the BS see people make their minds up on how they was gonna see us we be walkin on the street they screamin both of yall need Jesus ha formula just wasn't complicated though
Work hard party hard sacrifices make them know it when they say
I sound like this or that I just switch them up and give them all a heart attack and I will (I will) do you feel (do you feel) how I feel (how I feel) I know you love it cuz its real and I'm here have no fear its all good see baby this is how we live

Everyday we workin harder harder
Getting just a little stronger stronger
Tryna get wiser, wiser wiser [x2]

Yo cheers to the wonder years this is my toast ahh yea this for yall all the homies at home to the bad girls why cuz we love them the most you know a good girl a bad girl in good clothes either way I'm back on course now back to what it feels like sounding like its 1995 nigga real life but we on that new shit finna get a stoley and we can hit the mountain top and watch the sky fold in ahh yea tiki tembo all the times that I remember my mama blowing steam everytime I got suspended now when they say I sound like this or that I just switch it up and give them a heart attack and I will (I will) do you feel (do you feel) how I feel (how I feel) I know you love it cuz its real and I'm here have no fear its all good see baby this is how we live
