Dive

Luke Combs

Oh, maybe I came on too strong
Maybe I waited too long
Maybe I played my cards wrong
Oh, just a little bit wrong
Baby I apologize for it

I could fall or I could fly
Here in your airplane
And I could live, I could die
Hangin' on the words you say
And I've been known to give my all
And jumpin' in harder than
Ten thousand rocks on the lake

So don't call me baby
Unless you mean it
And don't tell me you need me
If you don't believe it
So let me know the truth
Before I dive right into you

You're a mystery
I've travelled the world
And there's no other girl like you
No one, what's your history? (What's your history?)
Do you have a tendency to lead some people on?
'Cause I heard you do, mmh

I could fall, or I could fly
Here in your airplane
And I could live, I could die
Hanging on the words you say
And I've been known to give my all
And lie awake, every day
Don't know how much I can take

So don't call me baby
Unless you mean it
Don't tell me you need me
If you don't believe it
So let me know the truth
Before I dive right into you

I could fall, or I could fly
Here in your airplane
And I could live, I could die
Hangin' on the words you say
And I've been known to give my all
Sittin' back, lookin' at
Every mess that I made

So don't call me baby
Unless you mean it
Don't tell me you need me
If you don't believe it
So let me know the truth
Before I dive right into you

Before I dive right into you
Before I dive right into you
