

Everything We Need

Luke Combs

Days like these are worth more than gold
But they can't be bought and they can't be sold
On days like these when the sun shines bright
I feel like it's all gonna be alright

When the sky is blue and the grass is green
How much better can it be?
If I got you and you got me
We got everything we need
Even if it grew on trees
Money can't buy days like these

They don't come around as much as they ought to
So soak 'em up when they do
Those days like these they don't forgot
If you think it through they're all we got

When the sky is blue and the grass is green
How much better can it be?
If I got you and you got me
We got everything we need
Even if it grew on trees
Money can't buy days like these

When the sky is blue and the grass is green
How much better can it be?
If I got you and you got me
We got everything we need
Yeah, even if it grew on trees
Well I'd probably miss the leaves
No, money can't buy days like these
Money can't buy days like these
