

On the Other Line

Luke Combs

Girl, I know you didn't mean it when you said that you were leaving
I just figured that you wanted your space
Of course I'm coming home, I'm out here on the boat
Putting around the lake
Didn't mean to start drama, of course I love your mama
And I promise that we'll have a date night
Go get your nails done and take your time honey, I'm a little preoccupied

Well, I'll have to call you back, baby
These fish are biting like crazy
They're knockin' the paint off this crankbait every time
Feels like I'm reeling in an old bulldozer
Sorry honey, but I got to click over
I got a six pound largemouth on the other line

Yeah, I'll clean up the kitchen, I'll do the damn dishes
Baby, I'm wrong, you're right
I get the point your makin', believe me when I say it
Right now my hands are tied

So I'll have to call you back, baby
These fish are biting like crazy
They're knockin' the paint off this crankbait every time
Feels like I'm reeling in an old bulldozer
Sorry honey, but I got to click over
I got a six pound largemouth on the other line

Well, I'll have to call you back, baby
These fish are biting like crazy
They're knockin' the paint off this crankbait every time
Feels like I'm reeling in an old bulldozer
I know this conversation ain't over
I got a six pound largemouth on the other line
I got a six pound largemouth on the other line
