

Don't Do It

Luke James

Don't do it, pretty girl, so what ya doin'?
Don't do it, pretty girl, so what ya doin'?
Don't do it, pretty girl, so what ya doin'?

I walk outside and to my surprise
A pretty girl standin' there with some thick ass thighs
Oh my, oh my
So I stepped out to her and said what's your side?
She said it's gon' be yo, you know it's gon' be a very good time
Alright, yah, alright
To make a long story short, that girl drove me blind
But I learned a good lesson at the end of the night
Alright, alright, wow

Don't do it, pretty girl, so what ya doin'?
Don't do it, pretty girl, so what ya doin'?
Don't do it, pretty girl, so what ya doin'?
Don't do it...
