

Almost Home

Luke Sital-Singh

Landslide road on the ocean road
Started from a single stone
We're driving under heavy load
Don't look back in time cos
There's no road behind us now

Turn on the lights and go
Back to the life we know
We'll barely make it but we're almost home
To a familiar place
Where all the street signs glow
We'll barely make it but we're almost home

Seven hours on the road
We tried to make it in our own
To prove that we had hearts of gold
But don't look back in anger
I wish I could remember how

Turn on the lights and go
Back to the life we know
We'll barely make it but we're almost home
To a familiar place
Where all the street signs glow
We'll barely make it but we're almost home
We'll barely make it but we're almost home

Sooner or later
Sooner or later
Sooner or later
Sooner or later

Turn on the lights and go
Back to the life we know
We'll barely make it but we're almost home
To a familiar place
Where all the street signs glow
We'll barely make it but we're almost home

Turn on the lights and go
Back to the life we know
We'll barely make it but we're almost home
To a familiar place
Where all the street signs glow
We'll barely make it but we're almost home
We'll barely make it but we're almost home
Yeah, we've nearly made it but we're almost home
