

# SADIST

## LUNA KILLS

Crawl back to your seat, are we here just to leave  
Or will we carry this waste in our brain  
I want to cut it out  
Walk down the line but don't stray from the path  
'Cause they don't know us like that  
Yeah they don't know us like that

Hail Marys raining up above me  
I'm sorry that I have no faith  
It's dripping acid on my body  
And I'm ready for the chase

Crawl back to the edge of your seat  
Watch the horizon turn red, flow down to our feet  
Crawl back to the edge of your seat  
Watch the horizon turn red, flow down to our feet

'Cause there is a sadist in my head  
It feeds from all my fears and all regrets  
All I ask of you is this, just cut it out, cut it out  
Cut it out my veins  
There is always a price to pay  
See it rip right through but you feel nothing  
All I ask of you is this, just cut it out, cut it out  
Cut it out my veins

It's ripping through, ripping through my skin like a machine  
Can't get it out though I try  
It feels like death

Walls of my home are caving in like it's giving up  
I'm sorry that I have no faith  
No better time to pull me out than now  
When I'm ready for the chase

'Cause there is a sadist in my head  
It feeds from all my fears and all regrets  
All I ask of you is this, just cut it out, cut it out  
Cut it out my veins  
There is always a price to pay  
See it rip right through but you feel nothing  
All I ask of you is this, just cut it out, cut it out  
Cut it out my veins

Oh crawl back  
Oh crawl back  
Oh crawl back to the edge of your seat  
Oh crawl back  
Oh crawl back  
Oh crawl back to the edge of your seat

'Cause there is a sadist in my head  
It feeds from all my fears and all regrets  
All I ask of you is this

'Cause there is a sadist in my head  
It feeds from all my fears and all regrets

All I ask of you is this, just cut it out, cut it out  
Cut it out my veins  
There is always a price to pay  
See it rip right through but you feel nothing  
All I ask of you is this, just cut it out, cut it out  
Cut it out my  
Just cut it out my veins

Oh crawl back  
Oh crawl back  
Oh crawl back to the edge of your seat  
Oh crawl back  
Oh crawl back  
Oh crawl back to the edge of your seat
