

## Violent Waters

LUNA KILLS

Through the sky, through these violent waters, is the end of the line

I'm sure It's tonight, the rain's still the same than yesterday  
Cross my heart and hope to die, I swear it all, I swear on my life

It's the end of the line, It's the end of line  
Cross my heart and hope to die, I swear it all, I swear on my life

I will not die, I will not die for you

Mind and thoughts like a restless child

Words deceive, good intentions die

I've been through this hell too many times

But I'm not lost, I'm exactly where

I was supposed to drown, when you dragged me here

I'm not afraid of you anymore

Through the sky, through these violent waters

You let me down, now it's the end of the line

Cross my heart and hope to die, I swear it all, I swear on my life

I will not die, I will not die
