

4000 Days

Luna

Well raise my rent... turn the clocks back
How I wish it could last forever
Flies the size of cigarette packs
I tried to pay with camel bucks
Remember remember
I'm sticking to my story
Remember remember
It's all that I have left

Darlin' lady listeners
My friends all make me sick
Listeners of the future
Come on and help me quick
Do you remember stumbling home?
Do you remember dancing alone?

Four thousand days
I'm sticking to my story
Four thousand days
It's all that I have left
I got patches on my eyes
Got pillows on my head
Singing chacha 2000
I need to get to bed
